Rieg—Olds.

The wedding of Mr. John B. Rieg and Miss Clara Belle Olds was solemnized at the home of the bride's parents, Mr. and Mrs. W. C. Olds, at 2:30 p. m. Tuesday. The ceremony was performed by Rev. J. R. Nichols in a beautiful and impressive manner, the ring service being used. The bride and groom were attended only by little Miss Jeanette Corbett, a niece of the groom, attired in brown and pink. The bride was becomingly attired in a traveling gown of brown Venetian cloth handsomely trimmed in bands of seal skin. The groom wore conventional black.

The ceremony was witnessed by the immediate families and special friends. A fine collation was served and Misses Eva and May Bell, Annie Stevenson, Mahala McCallister and Mr. Fred Mitchell helped the guests to the good things. A small reception was given from 4 to 6 o'clock.

The happy couple left at six for parts unknown, followed by the best wishes of their many friends. They will be at home in Conneaut, Ohio, after Dec. 12. Mrs. Rieg has made her home in Conneaut for some time past, but has many friends here from her frequent visits to her parents, who wish her much happiness in her future life. The groom is a traveling man for the Buffalo Courier Co., of Buffalo, N. Y.

Runaway.

Hagan & Schad's two-horse team ran away yesterday afternoon, starting in the alley back of the Hagan & Schad store, running to Front street, and going across the Putnam street bridge, stopping at the railroad crossing on Gilman street.

On the bridge the team collided with a two-horse rig belonging to John P. Lauer, of Whipple. Mr. Lauer had a miraculous escape from going into the river, having been thrown from his seat and over the hub guard of the bridge. He caught himself, however, and held onto the lines, controlling his team in good shape.

The buggy was injured somewhat—one front wheel being smashed, and the pole connections broken.

One Hagan & Schad team was cut up somewhat on the hind legs, and the express wagon was broken, the front wheels being smashed into a condition of uselessness.

Happy, healthy childhood! Every childless woman feels a tugging at her heart-strings when she sees another woman's happy, healthy rollicking baby. Motherhood is woman's supreme duty and her supreme happiness. Even in childhood she shows how deeply this sentiment is implanted in her breast when she plays with her dolls. There are thousands of otherwise happy wives in this world who only lack the thrilling touch of a first-born's fingers to complete their happiness.

Every wife may be the mother of happy, robust children who will. Thousands of women who had lived years of cheerless, childless wedded life, or whose babies have been born to them weak and sickly, soon to die, are now happy mothers of healthy children, and bless Dr. Pierce's Favorite Prescription for the wonders it has accomplished for them. This great medicine acts directly and only on the delicate and important organs that bear the burden of maternity. It makes them strong, healthy, vigorous and elastic. It allays inflammation, heals ulceration, and tones and strengthens the nerves. It banishes the discomforts of the expectant months and makes baby's advent easy and almost painless. It insures a healthy child and an ample supply of nourishment. Honest dealers will not offer worthless substitutes for the sake of a little added profit.

"I cannot say enough in praise of Dr. Pierce's Favorite Prescription, as it has undoubtedly saved my life," writes Mrs. Florence Hunter, of Corley, Logan Co., Ark. "I miscarried four times; could get no medicine to do me any good. After taking several bottles of Dr. Pierce's Favorite Prescription I made my husband a present of a fine girl."

Free! Dr. Pierce's Common Sense Medical Adviser. For paper-covered copy send 2c. for cloth-bound copy cover mailing only. Cloth-bound 3 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y. A whole medical library in one 1000-page volume.

Changes of Residence.

Joseph Phillips moved from the property recently sold by him at 418 Sixth street to a farm out the Duck Creek road near the Cole farm. Mrs. Wendelken moved from the corner of Eighth and Washington to the third floor of the Union Block.

What Do the Children Drink?

Don't give them tea or coffee. Have you tried the new food drink called GRAIN-O? It is delicious and nourishing and takes the place of coffee. The more Grain-O you give the children the more health you distribute through their systems. Grain-O is made of pure grains, and when properly prepared tastes like the choice grades of coffee but costs about 1/4 as much. All grocers sell it. 15c and 25c.
